### **Dolphin Entertainment scores financial backing for six films**

by: Gary Rusak Oct 30, 2008

L.A.-based Continental Entertainment Capital has committed financing for an upcoming slate of six features from children's and young adult entertainment prodco Dolphin Entertainment.

The financing covers production and prints and advertising costs for six teen- and tween-targeted feature films to be produced and sold internationally by Dolphin Entertainment and released domestically by a yet to be named studio partner.

The first feature film under this arrangement is *Soul Surfer - The Bethany Hamilton Story*.
